Dear Sir:

As stated in the last Office Action dated 12/15/2008, prosecution as to the merits is closed in the instant application in accordance with the practice under *Ex parte Quayle*. Therefore, in accordance with CFR 1.114, a Request for Continued Examination may be and is herewith submitted.

The following is submitted under 37 CFR 1.56 (Duty to disclose information material to patentability): Photographs of a dual-display system, dubbed the XGA model or e-book, are being provided herewith for the Examiner's review. During litigation involving U.S. Patent No. Re36,978, the complaint of which was received by the U.S.P.T.O. on August 18, 2006 (*cf.* item C1 of the IDS submitted during prosecution of the instant application), it was alleged that the XGA was prior art before April 26, 1995.
